# Sign Manifest for Receiver Corrections

This document serves as a quick reference guide for the steps using the mobile app to sign a manifest as a Generator, AGD, or Carrier for corrections made by the Receiver in the Hazardous Waste Program (HWP) Registry.

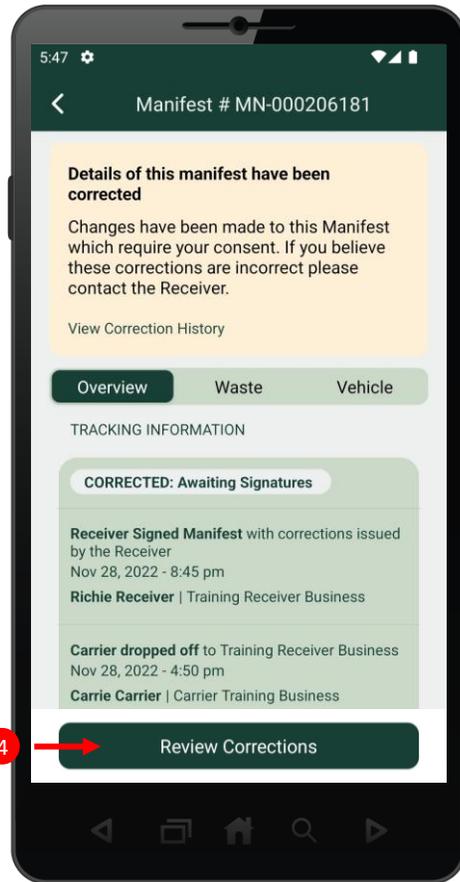

1 Search for the **Manifest** you would like to sign. Note: Manifests are listed in reverse numerical order. Use the Status and Sort options to help narrow the list of manifests.
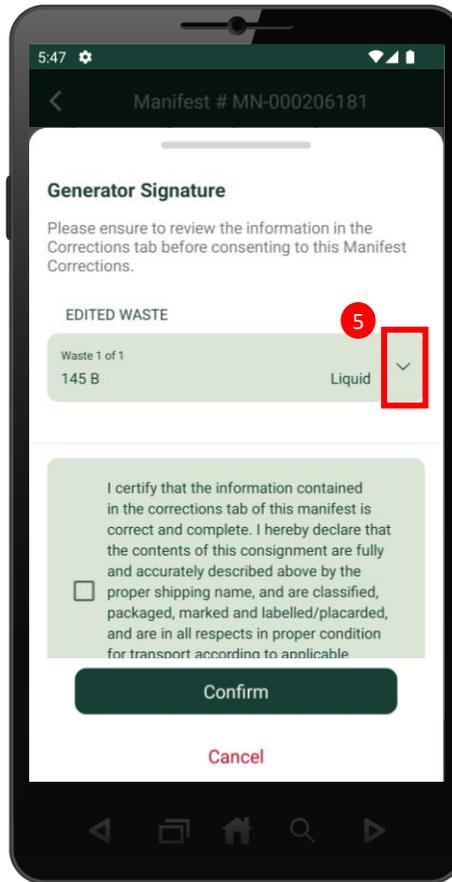

2 Select the desired Manifest that was corrected and is awaiting signatures.

3 Scroll through and review the contents of the manifest. Review the information on each manifest tab: Overview, Waste, and Vehicle.
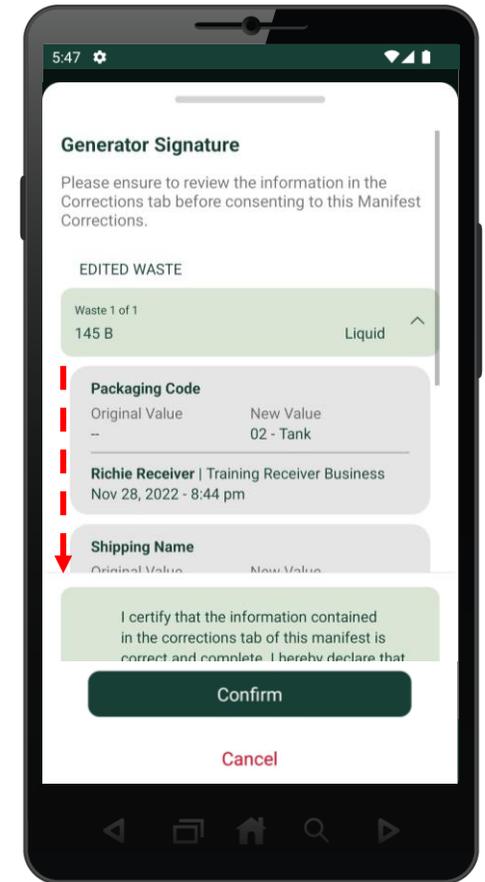

Sign Manifest for Receiver Corrections

④ Select the **Review Corrections** button.

⑤ Select the drop-down menu in the **Edited Waste** section to view the corrections.
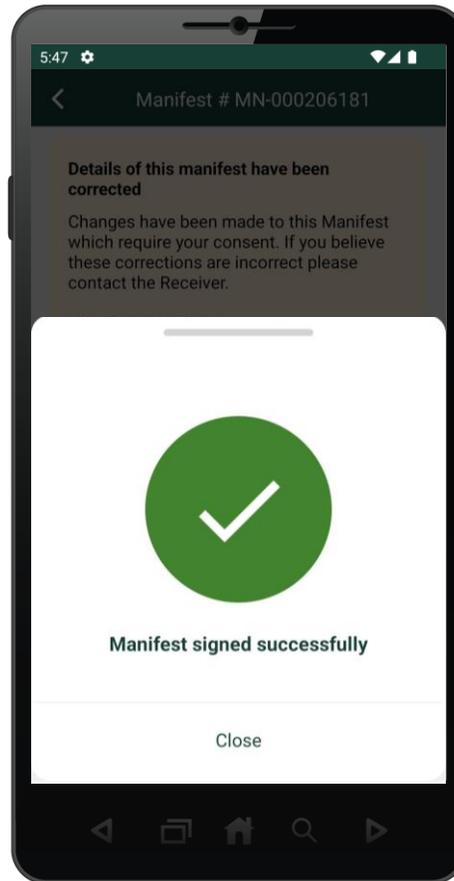

⑥ Scroll through and review the corrections proposed by the Receiver.

7 Once you have confirmed the corrections, select the certification checkbox and then select the **Confirm** button. Note: **DO NOT** sign if you disagree - contact the Receiver to resolve any correction issues.

8 The manifest has been successfully signed.
