Introduction

What is Hazardous and Special Products supply data reporting?

HSP supply data is an annual report that producers with obligations under the [Hazardous and Special Products Regulation](#) complete to report on the weight of materials supplied into Ontario from the previous calendar year. Starting in 2024, only large producers are required to submit a report verifying their supply data. For further information on how to determine if you are a large producer and how to verify supply data, refer to [Appendix B of the Hazardous and Special Products Verification and Audit Procedure](#). Producers are also required to pay the associated RPRAs [program fee](#).

Submitting supply data determines a producer's requirements for the following year.

This guide will assist producers with understanding what data they need to report and provide step-by-step instructions on how to complete the report in the Registry.

Further information about the HSP Regulation can be found on [RPRAs website](#).

If you have further questions that are not answered in this guide, contact the Compliance Team at registry@rpra.ca or call **1-833-600-0530**.

What data needs to be reported?

If you are a producer of **oil filters, oil containers or antifreeze**, you are required to report on the following from the previous calendar year:

- The weight of materials supplied in Ontario
- A [brand supply list](#) that makes up your supply data.
- For further information on how to determine your supply data and how to verify it, refer to [Appendix B of the Hazardous and Special Products Verification and Audit Procedure](#).
- For clarification on what products must be reported, refer to [Compliance Bulletin – What HSP needs to be reported](#).

Note: The product's primary packaging is also obligated. Primary packaging made of corrugated and boxboard boxes, plastic film, shrink wrap or printed materials is not obligated under the HSP Regulation, please see the [Blue Box Regulation](#) for more information and possible obligations.

How to log into the Registry as an account admin

The supply data report is completed online through RPRA's Registry.

You can access your Registry account here: registry.rpra.ca

Tips for logging into the Registry for the first time:

- If you don't have an account, click "Don't have an Account? Create a new Account"
- The Registry **will not work** with the Internet Explorer web browser. Google Chrome is the recommended web browser to use

Tips for logging into an existing Registry account:

- If you already have an existing Registry account, you do not need to create a new one.
 - Simply log into your existing account, which will bring you to the homepage where you will see all programs you are enrolled in
 - If you have forgotten your password, click "Forgot Password" on the login screen and follow the instructions provided

How to manage contacts in your Registry account

Account admins must add any new or manage existing contacts under the program they wish to give them access to (e.g., permissions to view and complete reports). Read this [FAQ](#) for more information on user levels in the Registry.

To manage contacts in your Registry account, see the following steps or watch our [how-to video](#):

1. Once you are logged into your account, click on the drop-down arrow in the top right corner and select **Manage Users** as shown below.

The screenshot displays the RPRRA (Resource Productivity & Recovery Authority) Registry account interface. The top navigation bar is dark green with the RPRRA logo on the left and the user name 'Rusty Borrows' with a dropdown arrow and a 'Logout' link on the right. The main content area is light gray and shows 'Rusty Nails Inc.' and 'Automotive Materials Homepage' on the left, and 'Registration #:00032271' and 'Automotive Materials Switch Programs' on the right. A notification box at the bottom left states: 'An asterisk (*) indicates that you have incomplete items to address in the tab.' The user menu dropdown is open, showing options: 'My Profile', 'Change Password', 'My Business Profile', and 'Manage Users'. The 'Manage Users' option is highlighted with a green border.

How to manage contacts in your Registry account cont.

1. Click **Add New User** to add an additional user to your account.
2. Under Action, click **Manage** to update preferences of existing users.

4. Check the box to authorize the user.
5. Click **Save**.

How to manage a PRO in your Registry account

Why should I work with a PRO?

As of October 1, 2021, HSP producers are individually accountable and financially responsible for collecting, and managing their products when consumers discard them. Producers are also required to operate a promotion and education program depending on the material each producer supplies into Ontario.

Producers have the choice of working with one or more producer responsibility organizations (PROs) registered with RPRA to meet their obligations.

A PRO is a business established to contract with producers to provide collection, management and administrative services to help producers meet their regulatory obligations under the HSP Regulation, including:

- Arranging, establishing or operating a collection or management system.
- Arranging, establishing or operating a promotion and education system.
- Preparing and submitting reports.

How do I contact a PRO?

For a list of PROs and the materials they provide services for, visit our [HSP PRO webpage](#).

Note: PROs operate in a competitive market and producers can choose the PRO (or PROs) they want to work with. The terms and conditions of each contract with a PRO may vary.

Once you have signed an agreement with a PRO(s) you must select them in your account. The steps to select them are indicated in the next slides.

When to manage your PRO in your Registry account

The chart below outlines the steps that should be taken by a producer prior to managing their PRO in their Registry account.

Important:

- If you have chosen to work with a PRO(s), you must select them in your account once you have entered into an agreement.
- You will also need to manage your PRO if you terminate your agreement with your PRO, you will need to include an end date to an existing PRO association in your Registry account.
- If you have an agreement with a PRO(s) but have not assigned them in your Registry account at the time of performance reporting beginning, log into the Registry and assign them. You must identify your PRO(s) in your Registry account for your report to appear in your PROs' account.

How to select and manage a PRO in your account

Accessing your program

Only Account Admins can manage PROs in the Registry. If you are not the Account Admin for your company, you need to have the Account Admin complete the steps in this guide.

1. Log into your Registry account using [this link](#).
 - If you have forgotten your password, select the **Forgot Password** option.
2. The programs you are enrolled in will show on your dashboard. Click on the program you want to add a PRO for.

Has your business contracted one or more Producer Responsibility Organizations (PROs) to act on your behalf? If so, click Yes to identify them, their responsibilities, and provide them access to report performance on your behalf. Only make a selection once you know whether or not you will be working with a PRO.

No My business will not be contracting with any PROs.

Yes My business has contracted one or more PROs.

Need help? Explore our [Registry Resources](#) Can't find an answer? [Contact Us](#)

How to select and manage a PRO in your account

Confirm if you have contracted with a PRO cont.

1. If you have not contracted with a PRO and are meeting your collection and management requirements yourself, click **No**.
2. If you have chosen to work with a PRO to meet your collection and management requirements on your behalf, click **Yes**.

If you clicked on Yes, you will be prompted to the next step to indicate the details of your agreement.

Has your business contracted one or more Producer Responsibility Organizations (PROs) to act on your behalf?
If so, click Yes to identify them, their responsibilities, and provide them access to report performance on your behalf. Only make a selection once you know whether or not you will be working with a PRO.

1 No My business will not be contracting with any PROs.

2 Yes My business has contracted one or more PROs.

How to select and manage a PRO in your account

Reporting responsibility selection

Identify your involvement with reporting on behalf of yourself.

1. Under **Responsible for Performance Report**, identify if you will be submitting your performance report. If you have delegated this report to your PRO, select **Does not report**.
2. Under **Responsible for collection and management**, identify if you will be submitting your collection and management report. If you have delegated this report to your PRO, select **Does not report**.

Manage Reporting Responsibilities

Indicate whether you will be reporting your own performance, collection and management in part or in whole. If a PRO will be reporting on your behalf, select "Does not report" from the dropdown list.

Producer	Responsible for Performance Report	Responsible for Collection and Management Report
Test Producer 123	<input type="text" value="Does not report"/> <small>If you select "does not report" for the producer, you must identify the PRO(s) who will be reporting on your behalf and select "reports in full" or "reports in part".</small>	<input type="text" value="Does not report"/> <small>If you select "does not report" for the producer, you must identify the PRO(s) who will be reporting on your behalf and select "reports in full" or "reports in part".</small>

2

How to select and manage a PRO in your account

Reporting responsibility selection cont.

Next, you will fill out the following fields to identify your PROs involvement in reporting on your behalf:

1. **PRO:** the name of the PRO you have an agreement with.
2. **Service start date:** the date when your agreement with the PRO started.
3. **Service stop date:** the date when your agreement with the PRO ends. If your agreement does not have a stop date, leave this field blank.
4. **Materials:** the HSP material(s) you are a producer of under the HSP Regulation.
5. **Responsible for Performance Report:** whether your PRO will report in full *or* in part the activities related to collection, processing and disposal of the material(s) you supply. If your PRO will report this on behalf of you, you must select **Reports in full**.
6. **Responsible for collection and management:** whether your PRO will report in full *or* in part the collection system established across Ontario and the haulers and processors they work with. If your PRO will report this on behalf of you, you must select **Reports in full**.

Select the PROs that will be reporting on your behalf. If you have multiple PROs reporting your performance or collection and management, select "Reports in part" from the dropdown list.

How to select and manage a PRO in your account

Reporting responsibility selection cont.

1. Finish managing your PRO by checking **I confirm that I have a contract with the PROs identified and authorize them to have access to report performance, collection and management data on my behalf.**
2. Click **Done.**

Manage Reporting Responsibilities

Indicate whether you will be reporting your own performance, collection and management in part or in whole. If a PRO will be reporting on your behalf, select "Does not report" from the dropdown list.

Producer	Responsible for Performance Report	Responsible for Collection and Management Report
Test Producer 123	Does not report <small>If you select "does not report" for the producer, you must identify the PRO(s) who will be reporting on your behalf and select "reports in full" or "reports in part".</small>	Does not report <small>If you select "does not report" for the producer, you must identify the PRO(s) who will be reporting on your behalf and select "reports in full" or "reports in part".</small>

Select the PROs that will be reporting on your behalf. If you have multiple PROs reporting your performance or collection and management, select "Reports in part" from the dropdown list.

PRO	Service Start Date	Service Stop Date	Materials	Responsible for Performance Report	Responsible for Collection and Management Report
Pwc Test	Aug 10, 2022		<input checked="" type="checkbox"/> Antifreeze <input checked="" type="checkbox"/> Oil Filters <input checked="" type="checkbox"/> Oil Containers	Reports in full	Reports in full

I confirm that I have a contract with the PROs identified and authorize them to have access to report performance, collection and management data on my behalf.

Registry program enrollment for new registrants

How to enroll in the Automotive Materials program as a new registrant

1. After you log into the **Registry**, you will land on the **Programs** screen. This screen will show all programs available to register in
2. Click **HSP – Automotive Materials**
3. Select the **Producer** role and the year that you began marketing antifreeze, oil filters, or oil containers into Ontario
 - Selecting from this drop-down list will determine if you are required to report on previous years, in addition to the current year
4. Confirm **the role you have selected is correct**
5. Click **Done**

The image shows two screenshots from a web application. The first screenshot, titled "Programs", shows a grid of program options. A green box highlights the "HSP - Automotive Materials" option, which is marked with a "1" in a green circle. The second screenshot, titled "Role Selection", shows a form where the "Producer" role is selected with a checked checkbox, marked with a "3" in a green circle. Below the role selection, there is a date range selector set to "Jan 1, 2023 to Dec 31, 2023". At the bottom of the form, there is a confirmation statement with a checked checkbox, marked with a "4" in a green circle. The "Done" button at the bottom right is marked with a "5" in a green circle.

Supply report

Starting your report

1. On the **Automotive Materials Supply Report** screen, a green lock will appear next to the supply year if supply data for that year has already been submitted.
2. Click Next to enter supply data in the applicable material categories for **Antifreeze**, **Oil Filters** and **Oil Containers**.

Note: Vehicle brand holders, importers and marketers are now obligated for the antifreeze and oil filters that are supplied in new vehicles that are sold in Ontario.

These producers must report to RPRA and provide information that contains the weights of antifreeze or oil filters that were supplied in new vehicles sold in Ontario from 2022, 2023, and 2024.

This change may impact supply reports previously submitted. Producers who need to make changes to previous years' supply data as a result of this change should **contact RPRA** directly before **July 31, 2025**.

How to submit your producer supply report

The next slide will guide you with uploading your **brand supply list**.

Supply report

Upload your brand supply list

1. Create a document listing the brands you supplied into Ontario, regardless of why you are the producer for them (e.g., brand holder or first importer). You may also download last year's brand list as a reference and re-submit it.
 - Ensure that the document meets the requirements outlined on the **Upload List of Brands Supplied** screen.
2. Click the **Upload** button and navigate to the file saved on your computer. Upload the file.
3. Click **Save & Next**.

Rusty Nails Inc.

2024 Automotive Materials Supply Report

Enter your data and click **Save & Next** to move to the next reporting screen. Click **Previous** to return to the previous reporting screen. You will be able to view your collection system requirements and minimum management requirements before confirming payment.

Supply Data → Brand Supply → Confirm and Pay

Upload List of Brands Supplied

Provide a list of all brands you included in your supply regardless of why you are the producer for them.

Please ensure the list of brand meets the following requirements:

- Save the list of brands as an Excel CSV file. The file must be encoded as UTF-8.
- Using Column A only, list each brand in a separate line, resulting in one brand name per row. Do not enter data in any other columns.
- There are no headers present in the file (only the names of supplied brands).
- Brand names only include these characters: alphanumeric, space, hyphen, periods and parentheses.
- Brand names do not include special characters like quotes (double or single), brackets and semicolons.
- File size is less than or equal to 5 MB.

How to submit your producer supply report

The next slide will guide you with uploading your supply data verification report.

Supply report

Upload your verification report

Starting in 2024, only large producers are required to submit a report verifying the supply data. For further information on how to determine if you are a large producer and how to verify supply data, refer to [Appendix B of the Hazardous and Special Products Verification and Audit Procedure](#).

1. Click the upload button to attach a pdf to proceed to payment processing.
2. Once the Verification Report is submitted, the **Select Payment Method** button will be highlighted in green.
 - Clicking this button will take you to a dropdown menu of payment methods to complete the transaction.

The screenshot shows a web interface with the following elements:

- Report Status:** In Progress
- Submit Report:** A dark green button.
- Upload Verification Report:** A section with a file input field and an **Upload** button. A green circle with the number '1' is next to the Upload button.
- Registry Fee Payment:** A table showing the following values:

Sub Total	\$255.00
HST (13%)	\$33.15
Invoice Total	\$288.15
- Select Payment Method:** A button highlighted with a green border. A green circle with the number '2' is next to it.

How to submit your producer supply report

The next few slides will guide you with **selecting your program fee payment method** and **submitting your supply data report**.

Supply report

Payment submission

Before submitting the report, you will need to select and submit payment for the **program fee**. This amount has been calculated in the system based on the supply data you have provided.

1. Click **Select Payment Method**.
2. From the drop-down menu, click on your preferred method.
 - If you choose any payment option other than credit card and bank withdrawal, you will receive an email with instructions on how to submit payment.
3. Click **Submit**.

The screenshot shows a form titled "Submit Report". Under the heading "Registry Fee Payment", there is a summary table:

Sub Total	\$1,596.27
HST (13%)	\$207.52
Invoice Total	\$1,803.79

Below the table is a field for "Purchase Order #" with the value "12345". At the bottom of the form, a button labeled "Select Payment Method" is highlighted with a green box. A green circle with the number "1" is positioned to the right of the form.

The screenshot shows a "Payment Method" dropdown menu. The menu is open, displaying the following options: "--none--", "--none--", Bank Withdrawal, Credit Card, EDI Payment Method, Cheque, and Electronic Bill Payment. The "Bank Withdrawal" option is highlighted in blue. A green box highlights the dropdown menu, and a green circle with the number "2" is to its right. To the right of the dropdown menu is a "Submit" button, which is also highlighted with a green box. A green circle with the number "3" is to the right of the "Submit" button.

2023 Automotive Materials Supply Report	Submitted May 28, 2024 10:31 a.m.	Rusty Borrows	View Download

No Producer Responsibility Organizations (PROs) currently on record
If at any time you enter into an agreement with a PRO, add the PRO to identify them and their responsibilities and provide them access to report performance on your behalf.
[Manage PROs](#)

Management Systems
Identify the haulers and processors you have contracted.
